Ziptrak®

Ziptrak® The ideal solution.

No cords, no zippers, no buckles, no fuss - Ziptrak® is the ideal solution for the quick, neat and easy operation of vertical screening.

Ziptrak® is the ideal way to turn your outdoor area into an all weather lifestyle and entertainment centre. Entertain all year round.

Choose from a large range of contemporary screening fabrics and quality clear or tint PVC.

Ziptrak® is a unique system and features high-quality aluminium extrusions, powder coated to your choice of colour.

Your Ziptrak® blinds are manufactured in Pinz's state of the art facility using the latest processes and technology.

Your Ziptrak® blinds can be opened or closed in seconds, or can be set to any intermediate position to allow full control over the elements.

Cafes and restaurants can improve productivity, increase service areas and display their message with Ziptrak® blinds.
